Dear Michelle, Kevin & Andy,

We have been impressed with "Continuous Spouting & Downpipes NZ Ltd" and have been singing your praises! Thank you for the team effort you guys put into the installation of our new gutters and downpipes. Your friendly, cheerful and helpful advice are a credit to your company.

We would especially like to highlight the work Andy did on our home. His professionalism, skill and pride in his work made us feel that our home was in very good hands. We noticed little things that Andy did for us, eg; hiding our T.V cable directly behind the downpipe. Not a necessary job, but one that is very much appreciated.

We have had many comments about the transformation the gutters and downpipes have made to our home. We thank you for making it such an enjoyable experience.

The other night, we ventured outside in the rain ... we could hear something new, the water flowing along the gutters ... a sound of a skilled tradesmen! Thank you Andy!

Cheers,

Kiri & Colin Isberwood
