Continuous Spouting
102 Niven Street
Onekawa

Dear Sir / Madam,

Thankyou for an excellent and professional job. Kevin Ambler was on time, rapid, under promised and over delivered.

The two young chaps who fitted the spouting were courteous, tidy in their work and did an excellent job, so did the chap who did the downpipes.

Cheque for \$95.89, \$20 note to buy a few beers for Friday drinks as a token thankyou for a job well done.

Yours

Phil Thorman
