MATERIALS AND WORKMANSHIP WARRANTY

Continuous Spouting Hawkes Bay (2016) Ltd guarantees that fascia, spouting and downpipes manufactured from Colorsteel will have a minimum life of 10 years from the date of installation on residential and commercial buildings.

Continuous Spouting Hawkes Bay (2016) Ltd installation workmanship is guaranteed for a period of 5 years upon installation.

Failure of our products partly or wholly due to the following causes are not covered by this guarantee:

1. All unwashed surfaces not being cleaned yearly.
2. Failure to remove debris leading to accumulation of moisture retaining matter in the spouting and downpipes.
3. Installation of any product that sits in the spouting (please note this relates to No.2).
4. Mechanical, chemical or other damage sustained subsequent to installation.
5. Storm or tempest or other causes beyond the control of Continuous Spouting Hawkes Bay (2016) Ltd.
